

NOTICE

FULL TIME EMPLOYMENT OPPORTUNITY

EQUIPMENT OPERATOR I

Smyth County is seeking applications for the position of Equipment Operator I. The successful applicant shall operate heavy equipment in the daily operations of the Solid Waste Department. Excavation, mowing, driving roll-off trucks, and loading garbage into transfer trailers are typical examples of this position. The employee shall also perform manual labor and assist in vehicle repairs when needed. Work is reviewed for completeness and accuracy.

Education and Experience: Education equivalent to completion of high school supplemented by a minimum of one year experience in operating similar equipment in general construction or public works. Must possess a valid commercial vehicle driver's license.

Knowledge, Skills, and Abilities: Must be able to perform required duties, and have working knowledge of operating various pieces of equipment. Applicant must also be capable of following oral or written directions, and should be able to deal courteously with the public and other county employees.

Annual Salary: \$22,000 with full County benefits. Please submit application to the Virginia Employment Commission, 1590 North Main Street, Marion, Virginia 24354 by Thursday, July 2, 2009.

Smyth County is an Equal Opportunity Employer
