PUBLIC NOTICE

In an effort to protect our employees and our citizens from the spread of the COVID-19 virus, effective April 2, 2020, Smyth County will temporarily implement the following changes to the Landfill and Convenience Stations operations:

Transfer Station/Landfill located on Highway 107, Chilhowie, VA:

- Commercial, Industrial and Contractor waste ONLY will be accepted.
- No residential waste will be accepted.
- A waste container will be placed near the entrance for TIRES ONLY.
- The Transfer Station building and the Scale House building will be closed to the public, with employee only access allowed.

All Convenience Station locations:

- Only normal household trash in CLOSED BAGS will be accepted at the Convenience Stations.
- Non-household waste, such as mattresses, tables, machinery equipment, metal, etc. will NOT be accepted at the Convenience Stations.
- To avoid the spread of the virus, Convenience Stations Attendants are NOT allowed to assist with unloading trash, or come into close personal contact with the public.

Again, these are temporary measures being taken to aid in the prevention of the spread of the COVID-19 virus. Normal operations will resume as soon as reasonably possible. Thank you for your understanding and patience during this difficult time.
